

FREE MATHS SKILLS COURSE

Upskilling and Increasing Confidence

What will you learn?

You will have the opportunity to develop your skills in a friendly and supportive environment. You'll gain knowledge by building basic numeracy maths skills that you use in everyday life situations such as banking, shopping, money, utility bills, DIY projects, cooking, gardening, driving, holidays, self-employment/business, childcare costs, maths games or travel. With the topics covered being tailored to your learning group's needs.

Who can participate in this course?

Anyone aged 19+ and is a Wiltshire resident who doesn't already have a GCSE in maths at grade C (or equivalent).

Find out more via: www.wiltshire.ac.uk/adult-learning/study/basic-maths-multiply

Or email us: busdev@wiltshire.ac.uk

Flexible learning; face to face or virtually

How does it work?

You attend the sessions weekly if you can and then receive a Wiltshire College & University Centre certificate at the end. You can then go on to do Functional Skills Maths or GCSE Maths.
